

WITH LOVE FROM THE CAPE: CABERNET SAUVIGNON 2020

Vintage: 2020 ABV: 14.0%

Cultivar: Cabernet Sauvignon (100%)

Style: Light to medium body fruit driven style

Wine of origin: Western Cape

Vineyards: The vineyards are in the Robertson valley.

Winemaking: Small batches of the base wine was fermented in open top fermenters. Pump-over took place twice a day with a gentle punch down in order to keep the cap wet and to gently extract primary fruit flavours and soften the tannin structure. Maturation occurred in small second and third fill, 300 liter French oak barrels for 10 months.

Tasting notes: Juicy dark plum fruit flavours on the entry, a rich velvet mid palate and soft round tannins on the finish.

ABV: 13.75% pH: 3.69 RS: 4.40g/lit
