

WITH LOVE FROM THE CAPE: CINSAULT ROSÉ 2021

Vintage: 2021

Cultivar: Cinsault (100%)

Style: Dry and crisp

Wine of origin: Western Cape

Vineyards: Sourced from vineyards on the Simonsberg Mountains of Stellenbosch and Riebeeck Kasteel in the Swartland district.

Winemaking: The hand harvested grapes were brought into the cellar during the early morning after picking to preserve freshness and acidity. All the grapes were de-stemmed and crushed straight into the press for immediate extraction of the juice in order to retain the soft pink salmon colour. The wine was cool fermented in stainless steel tanks before settling.

Tasting notes: The elegant floral notes on the nose are enhanced by ripe strawberry mid palate flavors, with a hint of body and texture for added complexity. Peach and plum secondary flavors are present on the finish providing a broad and elegant finish.

ABV: 13.16% pH: 3.44 RS: 2.45g/lit
